

CHIRAZ LINA KANNOUFI

Web & Automation Developer | Bachelor's Degree (Licence) in Computer Science — Computer Systems

Sétif, Algeria • +213 796 31 45 63 • Chirazkannoufi@gmail.com

Portfolio: chiraz-knf.netlify.app

PROFESSIONAL SUMMARY

Computer Science graduate (Licence, Computer Systems, Université Ferhat Abbas Sétif 1, 2025) working at the intersection of web development and business-process automation. Builds automation scripts with Google Apps Script, REST APIs and webhooks to synchronise stock and order data across Shopify, Ecomanager and Google Sheets, and designs and develops front-end interfaces with Figma, React, Next.js and Tailwind CSS. Academic foundation in algorithms and data structures, databases and SQL, object-oriented programming, networks, operating systems, software engineering, human-computer interaction and artificial intelligence. Holds Huawei Talent course certificates in Search and AI (2025).

TECHNICAL SKILLS

Web Development — JavaScript, Python, React, Next.js (App Router), HTML5/CSS3, Tailwind CSS, Framer Motion

Automation & Backend — Google Apps Script, n8n, Webhooks, REST APIs, Supabase, PostgreSQL, Git/GitHub

UI/UX & Design — Figma (UI/UX wireframing, prototyping), Human-Computer Interaction (HCI), Graphic Design, Identity Branding, Canva

E-Commerce & Tools — Shopify, Ecomanager, Payhip, Meta Suite, Google Workspace Automation

Academic Foundations — Algorithms & Data Structures, Databases & SQL, Object-Oriented Programming, Software Engineering, Operating Systems, Computer Networks, Artificial Intelligence, IT Security

PROFESSIONAL EXPERIENCE

E-Commerce & Automation Manager

Since 03/2026

- Developed automation scripts in Google Apps Script and REST APIs to synchronise stock levels and orders automatically between Shopify, Ecomanager and Google Sheets.
- Optimised e-commerce data flows and eliminated repetitive manual tasks to increase operational efficiency.

Automation Solutions Developer

- Designed and published automation scripts and digital tools for businesses, content creators and e-merchants.
- Delivered the UI/UX design of the digital storefront and structured the technical presentation of the software products.

Web & Automation Developer

Freelance

- Structured and optimised tracking databases in Google Sheets, implementing automated verification checks.
- Cleaned, deduplicated and dynamically processed order and delivery data.

Digital & Prospecting Consultant

07/2023 – 02/2024

Freelance — Direct Marketing & Distribution projects (USA / Gulf region)

- Created visual content and ran targeted prospecting campaigns on social media (Snapchat).
- Managed direct client relationships and provided personalised follow-up through to delivery.

PROJECTS

GoTrek — Web & Mobile Application (PWA), Tourism

Final-Year Project (PFE)

- Designed the UI/UX and developed the front-end of a tourism platform built to PWA standards.
- Modelled the SQL database schema for the application.

Google Sheets & Apps Script Automation

- Developed custom JavaScript scripts for data deduplication, text parsing and automatic stock synchronisation.

EDUCATION

Licence (Bachelor’s Degree) in Computer Science — Specialisation: Computer Systems

2022 – 2025

Université Ferhat Abbas Sétif 1 — Faculty of Sciences, Department of Computer Science

- Field: Mathematics and Computer Science. 180 credits over six semesters. Degree awarded July 2025.
- Coursework: Algorithms & Data Structures (I–III), Object-Oriented Programming, Databases, Information Systems, Web Application Development, Mobile Applications, Operating Systems (I–II), Computer Networks, Computer Architecture & Machine Structure, Software Engineering, Compilation, Theory of Languages, Human-Computer Interaction, Semi-Structured Data, Artificial Intelligence, IT Security, Graph Theory, Mathematical Logic, Numerical Methods, Linear Programming, Probability & Statistics, Digital Economy & Strategic Intelligence, Scientific Writing.
- Final-semester Project module: 15.50/20.

Baccalauréat — Experimental Sciences

Sessions 2021 & 2022

- Grade: Mention Bien (equivalent to “Good”) in both sessions.

CERTIFICATIONS

Huawei Talent — Search and AI (CRA Training Program) — April 2025 | Certificate ICTCRA20250430023687

Huawei Talent — Overview of AI (French) — May 2025 | Certificate ICT20250509000003

LANGUAGES

Arabic — Native • French — Fluent (professional) • English — Advanced (technical) • German — B1 (in progress)

ADDITIONAL INFORMATION

Driving Licence, Category B.
